Subject: NY Times reporter possibly attending Pavillion, Wyo. meeting tonight

Just wanted to give you both a heads up that Dan Frosh, a Colorado-based reporter for the NY Times, may be at a community meeting in Pavillion tonight. The State of Wyoming is hosting the meeting to discuss long-term water supply options for affected residents, including the provision of cisterns.

EPA's Ayn Schmit is attending the meeting, but will not be speaking. Ayn has the current statement about the collaborative approach with the State and Tribes, the ongoing public comment period, and pending independent panel review.
